THE JOURNALISM CLASS

of

NOBLE TOWNSHIP HIGH SCHOOL

CHIPEWA

We, the senior class, dedicate this volume of the 1953 Treasure Chest to all the students who follow us. To those who are in school now and to all those who enter, in the years to come, we dedicate this record of classes, activities, sports, and school life in all of its phases. We sincerely hope that NHS will be as dear to you as it is to each of us and that your school days will be as happily and as profitably spent as we feel that ours have been.

NOBLE

LINLAW HIGH

In this yearbook, the Treasure Chest, you will find a world of information concerning our many activities. Our aim has been to portray events by means of both word and picture. We hope that you will like our efforts and overlook our mistakes. We also venture to hope that you will treasure this book as a memorial to pleasant days spent in Noble High School.

ADMINISTRATION

C. L. VANDERGRIFT
Superintendent

BOARD OF EDUCATION

JOHN PETERS
Trustee

Pupils and Patrons,

The pupils of a school are entitled to know what is expected of them and their parents to know what the administration aims to stress in its relation to their sons and daughters.

The school, too, has graduated—graduated from that elementary dispensation of the 3-R's. It has even graduated through the secondary level of technical subjects to the graduate level of social science and human relations.

We grew up with the adage, "You can lead a horse to water, but you can't make it drink." Getting the horse to drink is easy compared to the role of the school today. I am indebted to Dr. Ralph Sockman for summarization of our goal. He says, "We must develop an obedience to the unenforceable—to check social controls through self-control."

A compliance with the unenforceable! Citizenship in the home, school, and state today requires more than the law mandates. You can't mandate pride for a lesson well prepared, an inner respect for the rights of others, an allegiance to truth, cleanliness in thought, and loyalty to our parents, school and community.

Those qualities, we pray, our graduates will acquire by having lived and worked in the Noble High School.

Sincerely,

C. O. Duker

NOBLE TOWNSHIP HIGH SCHOOL BAND

Some of the Activities of the band this year of '52-'53 are as follows:

In October—they had a Chili Supper to make enough money to take a trip to Indiana University, where they participated in the High School Band Day.

Shortly following the trip to I. U. the band went to Manchester College to participate in another band day. On both of these trips, the band saw very exciting football.

They have also been in numerous parades in Wabash. During the basketball season the band displayed their fine marching ability by performing at almost every home game. When the big band wasn't playing the German band played. This was composed of several selected members of the regular band. We feel the band had a very successful year!

VERNIS HOLLIDAY
Director

The Noble High School Chorus this past year has been very active. Among the activities that the chorus participated in were the Christmas program and the Spring Festival. The group also went caroling around Wabash and out to the County Farm at Christmas time.

Many boys responded to the call for members, so the chorus had an adequate male section for the first time in several years.

During the past year the democratic way of thinking has been practiced in our school through the student council.

This was made possible through the efforts put forth by the faculty advisor, Mr. Howard Uhrig. Due to his splendid co-operation with the students on the council, much has been accomplished.

The following officers were elected by the council:

President ..... George Hollingshead
Vice President ..... Ted Baer
Secretary-Treasurer ..... Sandra Bennett

IT'S NEW

For the first time in several years, a school paper has been published in this community. Two hundred and twenty subscribers received their issues bi-monthly. When the occasion arose, such as Christmas and Valentine's Day, a special issue was put to press. The regular publication usually consisted of eight pages which included feature stories, editorials, grade school news and gossip, which was most important as far as the students were concerned.

With every issue of the Noble News, we gained experience and knowledge in the field of journalism.

Our Sponsor

THANKS!

We, the Seniors of 1953, wish to express our sincere appreciation to Mr. Kurtz for the many hours of work, both during school and after, that he so graciously gave to help make our school paper and annual a success.

Also, we would like to extend our appreciation to Miss Mansfield for the extra hours she spent in helping us produce your copy of the Noble News.

PLAY CAST

ROOM FOR ONE MORE

SENIOR PLAY

The Senior class of 1953 presented their play "Room for One More" on October 29, 1952.

Written by William Davidson, the story is based upon the book by Anna Perrott Rose Wright. It is a story of a family, Poppy and Mother Rose, and the children that came to live with them. Of course they have a couple of their own children, but they can't resist a homeless child no matter how hard it is to make ends meet.

They live in a cottage by the ocean, which is called the "Pumpkin Shell." The play is a story of the laughters, headaches, and pleasures of this family.

The cast, stage crew, and prompters will probably long remember the long hours, lectures and the fun of putting on the play. As Shakespeare said: "The play's the thing."

BOOSTER CLUB

Go, Noble High School,
Fight right through that line,
With your colors flying,
We will cheer you all the time.

So come the echoing strains of our school song. But our school is not the only symbol for which these words stand. They stand as an inspiration for each member of the Booster Club.

The club, with a membership of approximately one hundred students, is under the supervision of Mrs. Mary Baker, the faculty advisor. The elected officers of the club are:

President ..... Beverly Wolfrum
Vice President ..... Mary Thompson
Secretary ..... Carol Davenport
Assistant Secretary ..... James Snapp
Treasurer ..... Frances Pearson

CHEER LEADERS

Beverly Wolfrum, Carol Hendry, Sandy Bennett

It is the job of the boys on our basketball team to get out on the floor and win the games for Noble. It is the responsibility of the Booster Club to back the boys with their yells and keep up the spirit of the game. This is important, so could you imagine what would happen if there were no one to guide and control the club's yelling? We shudder to think of it, and we don't have to. We have three able girls who do an admirable job of leading us in yells. They are Beverly Wolfrum, Carol Hendry, and Sandra Bennett. Beverly is a Senior and has been a cheerleader for two years. Carol is a Junior. This is her first year at Noble. She didn't come here unprepared, though, as she was a cheerleader at Chippewa last year. Sandy (as she is known), is no new hand at this business, either. She was a cheerleader along with Beverly last year. So, to these girls we say, THANKS.

What a job! — photographs, rough drafts, copy sheets, subscription campaigns, deadlines, and headings — all went into this book.

The staff would like to thank Mr. Uhrig for the many hours he spent taking and developing pictures for our annual.

Now it's done!

We hope you like it.
